TERMS: All items listed are net.

Cash discounts have been deducted and the prices named are your Net costs F.O.B. Winnipeg, except when shown that a Freight Allowance will be made. To merchants with approved credit, all accounts are Due and Payable net on receipt of Invoice. All accounts remaining unpaid after thirty days from date of shipment, subject to interest charge at the rate of 8% per annum until paid.

WE MAKE NO EXTRA CHARGE for less than original packages except where shown in catalogue, being largely on bulk goods which have to be weighed out and cannot be handled without loss, such as Bulk Cereals, Rice, Tapioca, Nuts Shelled and Unshelled, etc.

We make no extra charge for ordinary materials used in re-packing goods ready for shipment. All merchandise delivered to Transportation Company free of charge.

PRICES:—

All prices are subject to market changes.

Decline in price effective immediately on advice.

Advance in price of any commodity will be made only when absolutely necessary.

Prices in this catalogue cover goods shipped from our Winnipeg warehouse only.

RETURNED GOODS:—All goods returned without our authorization will be at shipper's risk. Our acceptance of such goods may be refused upon arrival at our warehouse.

SHIPMENTS:—It is important that you examine all boxes and cases carefully before accepting from the carrier, as our responsibility ceases when goods are delivered to, and signed for, by the Transportation Company, but we will gladly assist you in establishing any claim with the carrier, for satisfactory adjustment.

CLAIMS:—Invoice date and number must accompany all claims. Claims for bad order goods, errors or shortages must be made immediately on receipt of goods. Claims for leaks and swells must be made within four months from date of our invoice.

SERVICE:—Our policy of the best service and the finest quality of merchandise for the most reasonable price, places us in a position where we believe it will be to your advantage to buy your grocery requirements from us.

Special attention given to Express and rush orders.

In the above table, when the profit added to the cost, figures a fractional part of a cent, that fraction is increased to a full cent. For example when the selling of an item figures \$.07 1/4, it is listed as \$.08, as that is the price it must be sold in single units to make the additional profit.
